

Alabama Propane Gas Association

Port & Company - Sideline Jacket. JP71

On or off the field, this versatile nylon jacket can accommodate your plans. It has nylon-lined sleeves for easy on and off, a locker loop, slash pockets, elastic cuffs, inside pocket with Velcro closure, drawstring bottom hem and raglan sleeves.

» Lightweight flannel lining in the body means it's warm and great for travel

» An exceptional value nylon jacket
Unisex sizes: XS-4XL

Available colors: Black, Dark Navy, Goldenrod, Hunter, Orange, Red, Royal

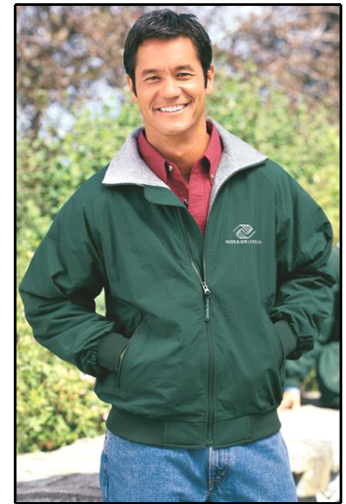

Port Authority - Washer Nylon Full Zip Front Jacket. J745

This zip front jacket is full cut so you can layer underneath. Nylon-lined sleeves allow a wide range of movement, the back is vented for breathability and the front has zip pockets. Stylish touches on this jacket are the contrasting colors inside and out, and elastic cuffs and waistband.

» Nylon is water repellent and wind resistant

» Body is lined with mesh to wick away moisture
Unisex sizes: XS-4XL

Available colors: Black, Bright Navy, Hunter, Royal

Port Authority - Crew Jacket. J755

Keep your crew warm in this classic jacket. All pockets zip shut, including interior pocket; the waistband and cuffs are 1 x 1 nylon rib knit.

» Outside shell is 100% Taslan Nylon and water repellent

» Inside is constructed of poly-filled nylon sleeves and a fleece body lining for warmth

Unisex sizes: XS-4XL

Available colors: Black, Black/Gray Heather, Dark Navy, Goldenrod, Hunter, Royal
